

```
#include<stdio.h>

int main(){

    int i;
    int a[3]={1,22,54};
    int sum=0;

        for(i=0;i<=3;i++){
            sum=sum+a[i];
        }
    printf("sum is %d\n",sum);
}
```
